The Time Capsule Story . . .

As we end our high school years, we all go out on our seperate ways carrying many fond memories. But like all memories, many will soon be forgotten. A time capsule, however, contains all of our memories forever. By someday digging up a time capsule we dig into our minds to recall and relive the days we all so loved and cherished. We therefore make the theme of this yearbook, "Time Capsule", a device encapsulating many forgotten but beautiful memories.

The Class of 1990 leaves....!

DEDICATED TO OUR LIFE LONG FRIEND BRION JENNESS

It's not that we forget
It's just sometimes we don't remember
The role you played in all of our lives.

But you've always been there
And you always will be
We keep you close in our memory.

We think of you, through good and bad
And we must not forget, the happy and sad.

Pretty soon we'll all be apart
Ending an old routine
And preparing for yet another start.

But there is one thing that will never change
No matter how our lives may rearrange,
That is our love for you- dear friend
This is one thing that will stay with us,
Past the end.

Written by, Theresa McTernan

To my class of 1990 by Theresa McTernan

Even though we love them so,
All Our friends will come and go.
Not to cry or get upset,
Sometimes these things
Are for the best.
Never erase the great times from your memory,
For the future holds what we cannot see.
Instead, hold them close to your heart
Because then you are never truly apart.

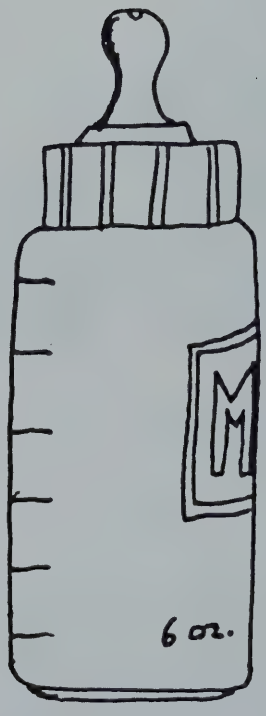
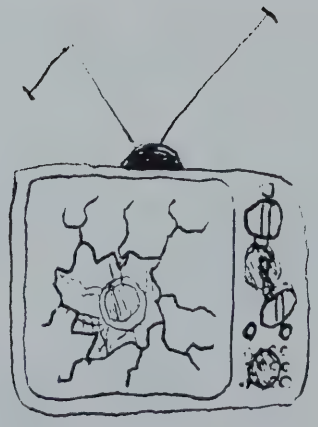
Dedicated to Mrs. Fiorillo

Thanks for all your help!

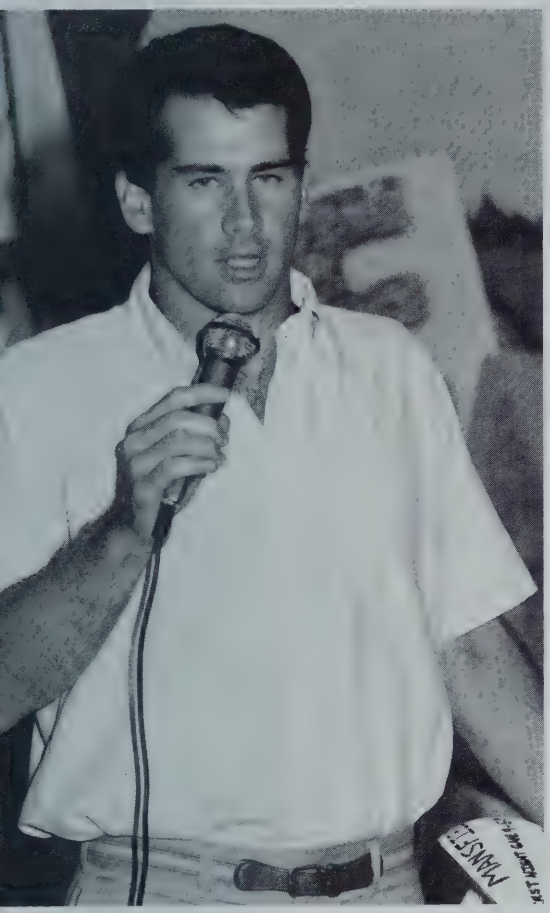
The staff of the 1990 "Time Capsule" yearbook dedicates this yearbook to Mrs. Fiorillo. Last year, Mrs. Fiorillo took over as yearbook adviser, with no previous experience. She quickly organized our staff and with the help of our Jostens man Norv, she became a skilled yearbook "professional". Mrs. Fiorillo's dedication to the yearbook resulted in the quickening of production of much of the book last year. This same determination continued this year up until her last day here. On Saturday, April 21st, Mrs. Fiorillo gave birth to Alyssa Kathryn Fiorillo. We wish you the best of luck with motherhood and with your future teaching career.

Thanks,
The 1990 Staff

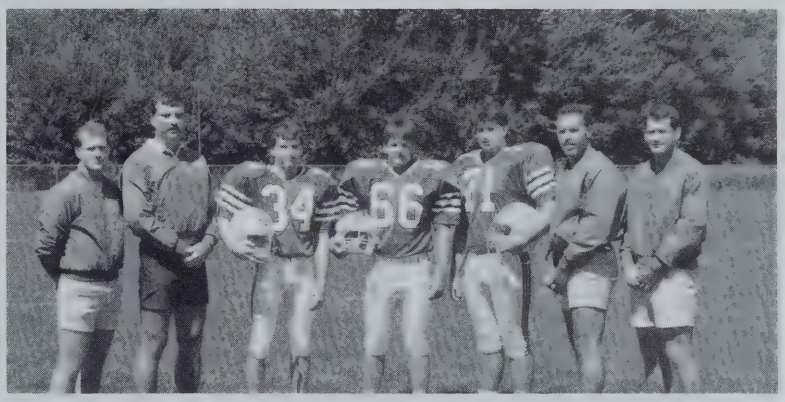




COACH OF THE YEAR



MICHAEL REDDING



Mr. Redding(far right) with assistant coaches and captains of the 1989 Hornets.

Mike Redding is to be commended for his efforts that resulted in an undefeated season and a Division III Super Bowl berth, a feat never accomplished before in the history of Mansfield High School. Coach Redding's vast knowledge of football coupled with his exceptional ability to communicate with his players, earned him the respect from his players, school, and community that he rightly deserved. We wish both Mike Redding and the 1990 MHS football team the best of luck for continued success. Thanks for the memories!
